**When Your Child Is Absent...**

Call the school attendance line at 419-671-7351 to report your child will not be in attendance. Please speak slowly and clearly. Please include your name, your child's name, your child's teacher or room number, the date, and the reason for the absence. If the school does not receive a note upon your child's return to school, the absence will be unexcused. Please send any medical documentation along with the note. More than **10** absences require a doctor's note.

**Messages for Students**

Please communicate with your child/children all after school pick up information, who to go home with, etc. before they leave for school in the morning.

The office gets very busy during the day, and the secretary does not have a lot of time to forward messages to students. There are the cases when a real emergency arises, and that is totally acceptable.

Please try and make doctor appointments outside of school hours if possible. Students are arriving later and later to school and are missing instructional time in class.

**Welcome to Mrs. Howard's Counselor Corner**

Please read my letter about "New Year's Resolutions for Kids" that is attached to this newsletter.

If you have any questions, please do not hesitate to contact me. TPS PROUD!!! (see attachment)

**Walking Club**

Walking Club will be every Tuesday and Thursday from 8:30-8:45 in the gymnasium. Remember the more you walk, the more incentives you can earn!

**DAILY HEALTH ASSESSMENT**

- Families are being asked to perform a daily health assessment, which includes whether the student has any of the following:
- Fever (100 degrees or higher), chills, fatigue, muscle or body aches, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, cough, shortness of breath, difficulty breathing, new olfactory disorder, and new taste disorder.
- If the student is sick, the parents please keep the student home. **If the students begin to exhibit any signs or symptoms of COVID19 they will be sent home immediately.**

**Fresh Fruits and Vegetables**

Fresh fruits and vegetables program began in November. The students are given fresh fruit and vegetables on Tuesday and Thursday of every week. The students are really enjoying them!

**I-Ready**

Students/Teachers completed the I-Ready Diagnostic prior to break in the areas of Reading and Math. Reports should have went home with your child for you to review and discuss. Students are required to complete weekly lessons for a minimum of 30 minutes per week with 80% achievement. These assessments help your child with reviewing skills that will prepare them for the State Test in the Spring.

How can you help?

Ask your child weekly, how are they doing? You also have the ability to log in from home on your laptop or desktop computer to see their progress. You can help us by encouraging your child to do their best every day! The school will be contacting parents of students who are not completing their assigned time on a regular basis.

**THIRD GRADE OHIO STATE TESTING**

Third Grade OST Testing results have arrived. You will be sent the results over the next few weeks. If you would like to know the results prior, do not hesitate to reach out to your child's teacher.

**PTO**

If interested in joining the PTO, please contact Ms. Krista, PTO President at 419-806-3700 or email her at [kwilcox81575@gmail.com](mailto:kwilcox81575@gmail.com)

PTO will be selling coupons booklets for \$20 starting January 30th thru Feb 17th. This will be a preorder. You will collect money and fill out a form, and then when the student brings in the money I will send home the coupon booklets. There will be no booklets handed out without payment.

PTO will be selling Valentine's Day grams! More information to be sent home in the coming weeks.

**Parking Lot and Crosswalk**

The parking lot patrol is out there to assist you at school arrival and dismissal time. The same traffic pattern and drop off/pick up areas are being maintained. Your cooperation and kind words are always appreciated. They are always looking for volunteers to help out. Parents waiting for students must wait outside the building and in the designated waiting area behind the cones. Please refrain from early pick up of students between 3:00-3:15 p.m. This is very disrupting to the teachers as they prepare the students for dismissal.

**Visitors**

Visitors to the building are discouraged and are encouraged to make an appointment. We have a new visitor identification system that will require all visitors to the building to present a state/federal ID. Please understand that this is a new district policy. No exceptions will be given.
